

Perform a self-test of your Auralink Install & operation

1. You may run a self-test to the Test Bench Auralink Test Conference.
 - a) If you require additional help, please refer to the attached User Guide. Just invite, from your Home Page, the Test Bench Computer by, see example below:
 - i. Type 'Test Bench' in the "Make Direct Calls" Box.
 - ii. Select Test Bench from the list. It will populate the "Make Direct Calls" Box.
 - iii. And click the blue Icon. This action will Invite 'Test Bench' to your P2P Meeting, and should automatically launch your DeskTop client (the audio/video conference).

Auralink is powerful and easy to use.

Make Direct Calls

Use your Address Book or Speed Dial List to make person-to-person calls.

My Speed Dial

- Amy Cammarti
- Jasor Pagana
- Joe Demo
- John Stuart
- John Stuart

- iv. You may also check the video Preview feature by pressing this Icon. Additional pressing of this Icon will toggle through several options:

- a) Video Preview (the ability to see yourself): Video Preview-On; picture-in-a-picture (PIP) | Large Image | Video Preview-Off.

2. You can test your network (bandwidth), Video, Audio with Cenero's Test Bench with this test. It will show you that your Auralink Software install and Desktop conference meeting software, is working.
3. You may place another call during normal hours EST 7:00 AM to 7:00 PM weekdays, to any Cenero/Auralink Tech Support persons On-line.
